My dear sir,

With reference to your office letter No.282 dated the 7th instant, I am desired to state that the necessity for Rs 600 provided against " Decorations " in the estimate is not clear, as it has been noted in the column of remarks that Birthday decorations will be kept up. This may kindly be made clear.

I am also to enquire whether the expenditure on account of road repairs is not a charge to be met out of Municipal revenues.

Yours sincerely,

Dewan

the occasion and for which there is not provision in the Municipal Budget will be debited to this estimate and this will not be much . The provision is chiefly for such unforeseen items as may be ordered from time to time until the occasion is over. Every endeavour will be made to save as much as possible out of this provision.

5. Kind sanction is solicited to the two items as provided.

Yours sincerely,

D. O. Office of the President,
City Municipal Council, Mysore.
12th June 1916.

Dear Sir,

Your kind D. O. Camp G. 14 dated 11th June 1916 .

I beg to state as follows :-

" Provision of Rs. 600/- for decorations"

The Route for the procession is from the Railway ~~Station~~ along Railway Station Road and Sayaji Rao Road and Curzon Park. These roads are not usually ~~de~~corated for the birth day occasion . Provision is for decoration of these roads with festoons , flags etc.,

2. The remarks that " Birth day decorations will be kept up" refers to the route from Statue square via . Doddapetta Road to the Government House which is decorated for the Birth day procession and these decorations ~~are~~ were proposed to be kept up until the 17th .

3. The route has since been changed and it is through the Hardinge Circle to the Government House. Now decorations will have to be made on the part of the route. I will remove the poles , flags, and festoons of Doddapetta sections after the Birth day procession and re-fix them along the new route. This involve only the cost of removing and re-fixing with a little for repairs to the Poles which I will meet under savings anticipated under " Road Repairs and miscellaneous."

4. " Road repairs and miscellaneous". These two items form one sub-head for which Rs. 1,200/- is provided . Road repairs will be borne by the Municipal but such special repairs as may be required for the
